LUXURY HOSPITALITY & HIGH END RESIDENTIAL B2B NETWORKING EVENT

PROGRAMME – BERLIN 2017

Special slots are dedicated to meeting & networking among buyers and suppliers alone

Each participant creates the **PROFILE OF THE COMPANY** on an extranet page before the event that will serve to present it to the other participants.

Ahead of the event buyers & suppliers **CHOOSE THE COMPANIES THEY WANT TO MEET**; buyers select suppliers and vice versa. We organise a **MATCHMAKING** of the requests and send all the participants their **AGENDA OF 18 MEETINGS** one month before the event.

The **FACE TO FACE MEETINGS** take place on Monday and Tuesday (9/day) in the conference room of the hotel. The suppliers have an allocated table to meet the buyers in accordance with their planned schedule.

Before and during the event, all the **PARTICIPANTS NETWORK** during the chill out moments such as cocktails, luncheons and dinners.
